STUDENT FINANCIAL EMERGENCY FUND

IS SEEKING YOUR SUPPORT

PURPOSE

Students sometimes encounter unforeseen events which can create financial emergencies. This fund's purpose is to support students coping with financial emergencies that may lead to the student's departure from college.

WHY GIVE

It's about Huskies helping Huskies. Our goal is to band together to help the pregnant student who has nothing to welcome home a new baby, the student who has not eaten a real meal in 3 days, the full time commuter student working 2 jobs whose car needs repairs, and the list goes on and on....
